For Good. For Adams County. For Ever.

November 2018

Dear Friends,

As Board Chair of Adams County Community Foundation, I am pleased to present the Community Foundation's 2018/19 Giving Spree Resource Book. This year, donors can choose to support over 80 nonprofits, the most ever, from across Adams County. We invite you to join us, and an anticipated 1,200 participants on November 8, 2018 from 4:00 pm to 7:00 pm at the Gettysburg Area Middle School, for our annual day of collective giving.

We created the Giving Spree to help you support the nonprofits you care about and to encourage you to learn about others. As an incentive, the Community Foundation's J. William Warehime Foundation Fund, Thomas E. and Florence B. Metz Fund, Knouse Foods Fund and others, have provided stretch pool grants totaling \$45,000 for gifts made on the day of the event, including a special \$10,000 pool for gifts supporting designated endowments held with us. You can join them by making your own gift to the Stretch Pool.

We are grateful to our media sponsor, the Gettysburg Times, for distributing the Resource Book ahead of the event so that when you join us on November 8, you will have had time to consider your gift choices. All the nonprofits listed in the Resource Book will be available on November 8th to speak with you about their work in the community.

Please remember to keep this book all year long to make gifts in honor of your loved ones' special occasions; and when you're ready to give back, talk with us about creating your own charitable fund at the Community Foundation. Your fund can support any of your favorite charities, an area of particular interest such as the arts or education, or all of Adams County.

If you have any questions about the event or how the Community Foundation can help facilitate your own charitable giving, please contact us at (717) 337-0060.

Thank you for supporting the nonprofits who work to meet the needs of those who live in Adams County. Together, we create a generous community.

Sincerely,

Loni Buck, Board Chair

Creating a
community where
everyone has
mobility
opportunities.

Often, we take for granted the ability to travel to everyday locations—a place to buy milk, receive an immunization, maintain employment or learn the alphabet. Without these connections, we cannot provide for our basic needs or dare to explore opportunities for our future.

You can change that for someone.

Be the change.

Provide a ride.

Today.

Your donation to mobility can provide rides to...

...help seniors age in place in the homes they **love**

...offer veterans access to the Lebanon VA Hospital

...support the battle against social isolation

...connect our neighbors to healthy food opportunities

...provide access to life-sustaining healthcare needs

...and more!

The Dwight D. Eisenhower Society

Mission Statement: The Eisenhower Society is dedicated to promoting, through educational programs, scholarships and special events, the memory and legacy of the leadership of Dwight D. Eisenhower, the five-star general who, in wartime and in peace, became the world's most trusted figure and the 34th President of the United States.

We Still Like Ike!

The Eisenhower Society was founded with Mamie's blessing by friends of Ike in 1969 in Gettysburg, the only place Ike and Mamie called home.

Goals of the Dwight D. Eisenhower Society:

The Society honors and commemorates Eisenhower, providing opportunities for people to learn about Eisenhower as a leader and providing grants to organizations to educate others about Eisenhower's leadership role in national and world history.

These goals are met by funding educational initiatives and scholarships at all Adams County high schools and at Gettysburg College. The Society also assists in funding educational programs, conservation and preservation efforts and special events at the Eisenhower National Historic Site.

FamilyFirst HEALTH

Family First Health, a nonprofit community health center was started in 1970 from a movement started by H. Jack Geiger, physician and civil rights activist. By addressing the roots of illness drawn from community concerns, early health centers like Family First Health pioneered an effective method for approaching health care in underserved communities.

Our Gettysburg Center opened in 2009 and focuses on providing high-quality, affordable primary medical and dental care, behavioral health, substance use treatment services, and first-time mother home visitation services to residents regardless of their ability to pay or insurance status.

NEW! We are proud to have expanded our Substance Use Services program to our Gettysburg Center in September 2018! Find more information about this program by calling **717-801-4864**.

Composer John (Buzz) Jones, organist Dr. John Wolfe and Dr. Nunamaker after the May 13, 2018 concert.

The orchestra has two main objectives: to perform great music in a beautiful venue, and to use many local musicians as members and/or as soloists.

From the very beginning over 50% of the members have been "local," and over 30 local musicians have appeared as soloists.

Dr. Nunamaker with pianist Ya-Ting Chang and violinist Peter Sirotin after the September 9, 2018 concert.

We welcome you to join our audiences at our free MUSIC Gettysburg! concerts and to also help the GCO meet its annual budget of \$40,000. More than 80% of that amount goes to the musicians in the orchestra. The Directors, Norman and Carolyn Nunamaker, donate their time and energy as a gift to the community.

Upcoming concerts by the Gettysburg Chamber Orchestra:

Sunday, May 12, 2019: Our new Concertmaster, **Blanka Bednarz**, violinist, and her husband **Cheung Chang**, a cellist on the faculty at Utah State University, will be featured in a performance of the Brahms Double Concerto. Haydn's ever popular Drum Roll Symphony, No. 103, written for the composer's final visit to London will be the other work on the program.

Sunday, September 8, 2019: Pianist **Thomas Pandolfi** returns to Gettysburg to perform Ravel's Piano Concerto in G. Thomas has appeared in Gettysburg under the auspices of the Gettysburg Community Concerts and also performed the Rachmaninoff 2nd Piano Concerto with the GCO several years ago. The other works on the program are Rossini's Overture to "Semiramide" and Robert Schumann's Symphony No. 1 in B \flat , also known as the Spring Symphony.

GETTYSBURG GARDEN CLUB

NEEDS YOUR HELP
TO KEEP OUR DOWNTOWN BLOOMING

Gettysburg Garden Club has kept downtown Lincoln Square in bloom for over fifty-seven years.

In 2008, we agreed to take over the community's "Downtown Flower Project" consisting of over forty gorgeous hanging baskets and eight flower-filled planters. These greatly add to the beauty of our town's center.

These baskets and planters are entirely funded by public donations unlike the flowers in the center of Lincoln Square that are funded and maintained entirely by Gettysburg Garden Club members.

Your donation in any amount in support of the flower baskets and planters will be greatly appreciated.

Healthy Adams Bicycle/Pedestrian, Inc. (HABPI)

The HABPI mission is to promote health and wholesome recreation by developing safe bicycling and pedestrian infrastructure and encouraging these activities for travel and recreation.

New bridge for biking and walking

Children riding the Biser Trail.

Approximately 72% of Adams County residents are overweight, often causing diabetes and heart problems. Studies show that walking and bicycling provide simple exercise that helps people become healthier. In addition, the more people walk or bicycle, even short distances, the less pollution is created and the less fossil fuels we consume. HABPI is working with local governments and organizations to build a pedestrian and bicycling trail in and around Gettysburg Borough. This is the Gettysburg Inner Loop (GIL) Trail. This trail will make it easier for residents to exercise, improve their health, and travel to local key destinations. Money is needed to match state grants for building the trail.

HABPI is also working with the Gettysburg Area Recreation Authority and the Gettysburg National Military Park to create an off-road trail from Gettysburg to Emmitsburg, MD as part of the Grand History Trail. Grants were obtained to conduct a trail feasibility study which is being conducted during 2018-2019.

HABPI is an all-volunteer organization with no paid personnel so all donations directly support trail development and related activities.

Monetary gifts to HABPI help provide:

- Matching funds for government grants
- Trail studies and easement agreements
- Master site surveys
- Legal documents for trail development
- Trail markings applied to roadways
- Trailside trees, shrubbery, and flowers
- Trail signs, benches, and interpretive displays
- Copies of educational materials and trail maps

LINCOLN FELLOWSHIP

of Pennsylvania

The Lincoln Fellowship of Pennsylvania:

- provides a platform where a nationally recognized and influential person serves as the keynote speaker each year on November 19th to reflect, in a public setting, on the American experience within the context of Lincoln's Gettysburg Address. The Fellowship works to maintain and sustain a meaningful partnership with the National Park Service and others who are dedicated to providing a free Dedication Day program in Gettysburg National Cemetery, Gettysburg National Military Park.
- helps to commemorate landmarks and landscapes associated with the Gettysburg Address and Lincoln's visit to Gettysburg, Pennsylvania in 1863. Most notably, the *Return Visit* statue that was commissioned by the Fellowship. It was sculpted by renowned sculptor, J. Seward Johnson, and dedicated in 1991. The statue represents "the common man" with Abraham Lincoln, showing that the Gettysburg Address is as relevant today as it was in 1863.
- educates members, citizens of the Commonwealth of Pennsylvania, and the United States of America on the meaning of the Gettysburg Address and its impact on all peoples.
- sponsors *One Hundred Nights of Taps, Gettysburg*. Taps is sounded every night, Memorial Day through Labor Day, at the Soldiers' National Monument in Gettysburg National Cemetery at 7:00 p.m. The Fellowship partners with Taps for Veterans, and Gettysburg National Military Park.
- assists in funding Gettysburg National Military Park's traveling trunk program that sends educational trunks to schools around the world introducing Lincoln to new generations of students.

“Let me win, but if I cannot win, let me be brave in the attempt” -Athlete's Oath

Our athletes recently competed in a state qualifier event at Juniata College. Pictured here are our athletes that participated in volleyball, powerlifting and bocce.

These sports include swimming, track and field, basketball, bocce, bowling, equestrian, floor hockey, golf, kayaking, powerlifting, roller skating, tennis and volleyball.

Currently, our Adams County Special Olympics program has over 140 active athletes!

With donations from you, we are proud to be able to provide all the sports equipment and uniforms needed for these athletes. Besides the cost of equipment and uniforms, we typically spend over \$12,000 each year in transportation to competitions away from Adams County. This includes buses and vans as well as food and accommodation, so your donation will help allow our athletes to expand their experiences and be ambassador's for Adams County.

We couldn't do this without your support.

If you know of someone that might like to be an athlete or if you would like to volunteer your time to make a difference in someone's life, please contact us TODAY!

John's Meals

A ministry of UACT
(Upper Adams Christians Together)

Feeding hungry children in the Upper Adams School District

John's Meals is a service to families in the Upper Adams community. It is our goal to ensure that children who are in food insecure homes have healthy food options for the weekends. We've partnered with the Upper Adams School District to provide students at Arendtsville, Bendersville and Biglerville Elementary Schools—and their siblings—bags containing three meals and snacks to be eaten over the weekend. Then, when they return to school, their bellies are full and their minds are ready for learning. Your tax-deductible donation will help ensure fewer children go to school hungry.
