RESOURCE BOOK

ADAMS COUNTY COMMUNITY FOUNDATION

adamscountycf.org
We are pleased to present the Adams County Community Foundation’s 2019 Giving Spree Resource Book, your guide to the 9th Annual Giving Spree.

The Giving Spree provides an opportunity for anyone to meet with and support scores of local nonprofits. Last year’s event raised $737,000 for 80 Adams County nonprofits.

**This year, our goal is to inspire you to help raise $1 million for Adams County.**

You can donate throughout the day online, but most join in the excitement generated by the live Giving Spree event at the Gettysburg Area Middle School. Representatives from each nonprofit will be on hand to answer questions and provide updates on goals and projects and to explain how your gift could make an impact.

The first thousand guests who attend will receive a Giving Spree “coin” to deposit in one nonprofit’s piggy bank, resulting in an additional $10 gift to that nonprofit from the Adams County Community Foundation.

A “Stretch Pool”, supported in advance and added to throughout the day, will provide an anticipated $100,000 which will be distributed to the participating nonprofits in proportion to the donations received the day of the Giving Spree.

**Join us! Be inspired! And thank you for being a part of this extraordinary event.**

Sincerely,

*Loni Buck*

FAQs

What is the Giving Spree?
The Giving Spree is Adams County’s day of giving where everyone in the community is encouraged to come together to learn about local nonprofits and support them.

When is the Giving Spree?
The Giving Spree is Thursday, November 7, 2019, from 4 pm to 7 pm.

Where is the Giving Spree?
The event is held at the Gettysburg Area Middle School, 97 Lefever St., Gettysburg, PA 17325.

Why is there a Giving Spree?
To help donors learn about nonprofits that are doing great things in Adams County.

How can I donate to the Giving Spree?
1. Choose the nonprofits you wish to support.
2. Complete a Donor Form.
3. Make your payment by check or credit card.
   (Please contact the Community Foundation to make a gift of stock or charitable IRA rollover.)

How can I participate?
Come to the Giving Spree on November 7; or mail your gift with the Donor Form between October 23 and November 7; or give online at adamscountycf.org on November 7.

Are donations tax deductible?
Yes, donations are tax deductible as allowed by law. The charitable status of each nonprofit was verified by the Community Foundation. Your gift acknowledgement will come from the Community Foundation for the total amount of your gift. Your donations will go to your selected nonprofit. As a result, you may also receive an informal thank you (not a tax receipt) from your selected nonprofits.

What is the Stretch Pool?
The Stretch Pool is a separate pot of money shared by all participating nonprofits. The amount each nonprofit receives is proportional to the total amount raised. For example, if a nonprofit raises 2% of the total amount raised at the Giving Spree, they will receive 2% of the Stretch Pool. Gifts to “E” codes (endowments) will receive an additional Stretch Pool allocation.

Can I donate to the Stretch Pool?
Yes. You can support the Stretch Pool by using Code #99 on the Donor Form.

Please note:
The Community Foundation is committed to upholding the spirit and integrity of the Giving Spree and reserves the right to exclude any gift from the Stretch Pool calculation.

Family First Health, a nonprofit community health center was started in 1970 from a movement started by H. Jack Geiger, physician and civil rights activist. By addressing the roots of illness drawn from community concerns, early health centers like Family First Health pioneered an effective method for approaching health care in underserved communities.

Our Gettysburg Center opened in 2009 and focuses on providing high-quality, affordable primary medical and dental care, behavioral health, substance use treatment services, and first-time mother home visitation services to residents regardless of their ability to pay or insurance status.
We are a dedicated group of volunteers who are changing the world for homeless cats and dogs one at a time in Adams County.

WHAT WE BELIEVE...

- More citizens will benefit from a coordinated community parks and recreation delivery system.
- That a mechanism to adequately maintain community park facilities and recreation programs adds value over time.
- That overall health can be improved (reducing obesity and preventing chronic conditions that lead to coronary disease, high blood pressure and diabetes) -- simply by providing more opportunities for leisure pursuits.

Soaring the Possibilities for Educational Resources
Preservation and revitalization projects require significant work behind the scenes gathering the public, coordinating grant funding and providing the project leadership necessary to achieve community-wide improvements. Grants rarely offer funding for operational costs. Without Main Street Gettysburg, the work to improve the physical attractiveness of our town for the benefit of our residents, visitors, and business owners would not exist. We hope you can support our mission financially through a tax-deductible gift.
