Barbara B. Ernico...
A Legacy of Excellence

At the Adams County Community Foundation we are proud to proclaim that we are here “For Good, For Adams County, For Ever!” remembering that forever is a very long time.

For ten years, our first president and CEO, Barbara Ernico, guided the Adams County Community Foundation. She recruited talented volunteers and staff. She welcomed donors and helped them to articulate their charitable goals and build their legacies. She encouraged estate planning professionals and wealth advisors to recommend the community foundation to their clients as they considered their charitable legacy plan, and she worked closely with our founder, the board, and every committee to embed “best practice” in everything we did.

Though 2017 was a year of milestones, we believe the most significant accomplishment of 2017 was our board’s leadership and our staff’s support during our executive leadership transition following Barbara’s retirement.

With new leadership in place, the board continues to build on the work of the first ten years and enters 2018 with a plan, and with the invaluable foundation built by Barbara. This community will forever be grateful for her dedication, her foresight, and her legacy of excellence.

“Community philanthropy is vital to building and sustaining strong communities. During my career, I felt called to this work and was blessed to be able to serve the good people of Adams County.”

- BARBARA B. ERNICO
Welcome to Your Community Foundation!

The Adams County Community Foundation was created a decade ago by and for the people of Adams County. Its purpose is twofold: to promote and facilitate charitable giving, and to build a permanent endowment that will invest in the communities of Adams County, the place we love, forever.

Year after year, our generous donors help us to grow that endowment, the Fund for Adams County. And year after year, caring individuals, families, businesses and nonprofits create their own charitable funds within the Adams County Community Foundation.

Your Community Foundation surpassed some significant thresholds in 2017:

- Grant and scholarship awards exceeded $1,000,000;
- Our most successful Giving Spree ever raised over $550,000 for 71 local nonprofits;
- Through thoughtful stewardship our assets surpassed $12,500,000.

What’s next? In 2018 we will focus our community grantmaking in order to accomplish specific goals and objectives within affordable housing, transportation and economic development.

And then . . . we look beyond 2018 and imagine an Adams County where the community foundation, built with the generosity of you and many others, is able to invest well beyond one million dollars a year. The possibilities are endless.

When you’re ready to give back to this community and support what matters to you, come talk to the Adams County Community Foundation. We’re relying on you to step forward and stand with us, For Good, For Adams County, For Ever.

Think About Your Community Legacy

A gift to the Adams County Community Foundation can carry out your charitable purpose forever, or memorialize a friend or family member.

An unrestricted bequest allows the Community Foundation to determine how to use the gift based on our community’s highest and most pressing needs. If you prefer to make an unrestricted bequest, we suggest the following sample language:

“I give and bequeath to the Adams County Community Foundation, a Pennsylvania not-for-profit corporation, the sum of _______ Dollars (or “percentage” or “all the rest, residue, and remainder of my estate”) to be used for the general purposes of the Community Foundation at the discretion of its Board of Directors.”

A restricted bequest directs assets to a specific fund, a particular purpose, or organization. Please contact us to ensure that all legal and practical considerations have been resolved. For instance, certain gifts to the Community Foundation (such as scholarships) have minimum required amounts.

“Ain’t it kool that I can do this?!”

Tom & Florence Metz

The late Tom and Florence Metz had a genuine interest in giving back to the community where they were born and raised and made their livelihood.

Florence worked in the administrative offices of the Adams County Courthouse for the County Commissioners. Tom began his career as a souvenir salesman, moving rapidly into a management position. With partners, he purchased Americana Souvenirs and Gifts and Gettysburg Tours, Inc., as well as interests in several museums in Gettysburg.

Tom served as President of these companies for about 20 years. Tom was active in community service organizations and was President of the Lions Club, served on the board of directors of Gettysburg Hospital and chaired the first Hospital Golf Tournament fund raiser.

Both Tom and Florence generously supported Gettysburg's historic interests, the Gettysburg Hospital and their churches, Gettysburg United Methodist Church and St. Francis Xavier Church.

To address evolving community needs, they created the Thomas E. & Florence B. Metz Fund. This permanent Fund for Adams County is a lasting tribute to the Adams County they loved. Their generosity will continue to support the community for generations to come.
The Selby Family

Community Service to Littlestown and Adams County was a hallmark of the Selby Family.

Bernard loved Littlestown and demonstrated it in his years of service as a Borough Councilman. He served as a state officer in the Fraternal Order of Elks, and was an active member of the Lions, St. Paul’s Lutheran Church and Alpha Fire Company.

His wife, Mary, was active with the Gettysburg Hospital Thrift Shop, Red Cross Bloodmobile, Alpha Fire Company and St. Aloysius Church.

Their son, Richard “Dick” Selby (shown here with his mother, Mary) was also active in the community and served on the original grantmaking committee of Adams County Foundation, the predecessor of today’s Adams County Community Foundation. Dick became committed to the Community Foundation and its work, and when he began his estate planning, he included a gift to the Community Foundation in his Last Will & Testament.

Today, the Bernard, Mary and Richard Selby Family Memorial Fund is a permanent testament to a family dedicated to service and their community. The Fund is designated to support St. Aloysius Roman Catholic Church in Littlestown; St. Paul’s Lutheran Church in Littlestown; Alpha Fire Company in Littlestown; and other community needs through the Community Foundation’s Fund for Littlestown.
Kristine Witherow

When Kristine Witherow, Investment Advisor with Harvest Investment Services, attended the Gettysburg Festival with her daughters Natalie and Natasha in 2009 they fell in love with the Adams County School of Musical Theatre's performance. The girls immediately signed up for one of the theater's summer camps. Over time, the young women would appear in over 45 performances with what is now Gettysburg Community Theatre (GCT). “They just loved it”, Kristine remembers, “and I thought it was great experience for them regardless of what direction they chose as adults.”

As the only year-round community theatre in Adams County, GCT plays an important role in bringing quality theater arts to the region, all while providing educational, performing, and volunteer opportunities to everyone of all ages and abilities.

Kristine has watched her daughters and others grow and gain confidence through the theater. She’s been excited to be a part of GCT since the beginning and felt that it should live on past the time of her own family’s involvement. As the theater was celebrating its 10th anniversary, she felt the timing was right to establish the Gettysburg Community Theatre Endowment Fund at the Community Foundation to support the theater’s ongoing operations.

For Chad-Alan Carr, GCT’s Founding Executive/Artistic Director, the Gettysburg Community Theatre Endowment Fund is more than an opportunity for anyone to support GCT for generations, “My hope is that the endowment conveys to the community that GCT is here to stay and we are fully devoted to serving our mission.”
David & Cynthia Salisbury

For Cynthia and Dave Salisbury, returning to Adams County after raising their family marks the beginning of a new chapter in the lives of these Gettysburg College alumni. Dave cares about keeping Adams County beautiful. He volunteers for historic preservation and serves on the board of the Land Conservancy of Adams County. Cynthia shares his love for our rural landscape and interest in maintaining our historic resources, and in addition, she volunteers for the Community Foundation’s Giving Spree.

Volunteering isn’t new to the Salisburys. While raising their children and pursuing a career, Cynthia was a 15 year volunteer for Meals on Wheels. She enjoyed checking on clients and providing friendly and much-needed conversation. Cynthia says, “Volunteering has enabled me to meet wonderful people and gain perspective on the challenges others face.”

When asked to volunteer for the Giving Spree, Cynthia jumped right in. “Working with the Community Foundation on the Giving Spree was a fantastic opportunity to learn about the charitable organizations in Adams County,” Cynthia explains, “and by volunteering we are able to help over 70 organizations.”

Cynthia and Dave also supported the Giving Spree with a gift, and designated a portion of their donation to expand the coin distribution after the first 1,000 were distributed. “We wanted everyone to experience the joy of giving,” Cynthia explained.

The Salisburys feel fortunate to make Adams County their home, and we are grateful they are helping to create a community that values generosity so that everyone has the opportunity to thrive.

Strengthening Our Community

Each grant distributed from our 156 charitable funds receives careful consideration. The Community Foundation evaluates ideas and projects in response to the ever-changing needs of our region. Grants from funds for Adams County, field of interest and scholarship funds are awarded through an open competitive process overseen by the Community Foundation’s distribution and scholarship committees.

Grants from donor-advised funds, agency endowments and designated funds are made in consultation with individual or groups of donors to support the organizations and interests they care about most. Support The Fund for Adams County!

When you give to The Fund for Adams County, you support the entire community with just one gift.

Your gift, combined with others, helps the Community Foundation meet the changing needs of Adams County, now and in the future.

The Fund supports the well-being and vitality of Adams County and its residents, and is used to invest in the work of exceptional nonprofits through the Community Foundation’s Adams County Grants Program.

In 2017, The Fund for Adams County awarded $127,913 in grants to 33 nonprofits serving the people of Adams County.

Your support will help provide food and shelter, educate and inform our children, provide vital health and human services, and enrich our lives with recreational and arts opportunities.

Thank you for supporting The Fund for Adams County!

"Adams County is our home and where I made my living. The Fund for Adams County enables us to give locally and honor our friends and family. We have confidence that when we are no longer living, the Fund will continue to benefit Adams County forever."

- KENNETH AND CONSTANCE FARABAUGH
Adams County Grants are supported by endowed gifts to our Fund for Adams County and annual gifts to the Adams County Grants Fund. Our 2018 Adams County Grants, which range up to $15,000, will support nonprofits working in these three areas:

- **Building a healthier community through collaborative projects that address youth activities, transportation or affordable housing.**

- **Addressing the needs of our most vulnerable residents, with special consideration to those addressing youth activities, transportation or affordable housing.**

- **Helping low-income residents move toward self-sufficiency.**

In addition to Adams County Grants, the Community Foundation is supporting a focused effort on affordable living, encompassing housing, transportation and economic development.

Low wages in tourism and agriculture—two major industries in Adams County—make it difficult for people in these job sectors to find affordable housing. As a result, people leave their jobs and the county, or they double up, live in shelters, live in their cars, or find other substandard options.

In a concerted effort to change that environment, leaders in Adams County formed the Adams County Affordable Housing Coalition (ACAHC). The partners include the Adams County Community Foundation, Healthy Adams County, South Central Community Action Programs, Pennsylvania Interfaith Community Programs, Inc., and United Way of Adams County.

This coalition has created a detailed plan to overcome the challenges of affordable living in our county. In 2018 the Community Foundation will lead the effort to identify an organization with the interest, infrastructure and capacity to implement the plan, and commit up to $50,000 per year for up to 3 years.

Our goal is that all residents of Adams County will have opportunities to live in safe, affordable housing, find sustainable employment, and have access to viable transportation options.
The Adams County Community Foundation considers attorneys, accountants, financial planners, insurance agents and other professionals to be our partners in the charitable giving process.

We want to be a resource for you so you can help your clients understand the many ways they can achieve their charitable, as well as their financial, goals.

As the community foundation for Adams County, we have a unique understanding of our community's needs and the many ways your clients can make an impact. We are well positioned to ensure that every gift your client makes is not only the right gift at the right time, but is also personal, meaningful and fulfilling.

If you’re a professional advisor with clients who value giving back, contact us. We can help your clients create the legacy they want for the community they love.

PRIVATE FOUNDATIONS
The Community Foundation offers services and options for your clients with or considering a private foundation, whether they are looking for help with effective grantmaking or ways to preserve the founder’s legacy after several generations.

CHARITABLE GIVING FOR BUSINESSES
The Community Foundation professionals are well versed in creative ways to weave together business and philanthropy. We can help establish a corporate giving program, suggest philanthropic opportunities inherent in the sale of a business, and advise on the use of privately-held stock for philanthropic purposes.

ANONYMITY OR RECOGNITION
The Community Foundation can provide the level of anonymity or recognition most comfortable for your client. We will never share your client’s contact information; strict confidentiality is observed at all times.

LIFE INCOME GIFTS
Charitable gift annuities and other life income gifts are a powerful way for your client to put assets to work for them, making a significant charitable gift and receiving significant lifetime income.

TRIBUTE FUNDS
Because it is a permanent institution, the Community Foundation is the ideal home for a philanthropic memorial. A fund named to honor the memory of a loved one may be designed to support a charitable purpose reflecting their life and values.

FULL RANGE OF GIFT OPTIONS
The Community Foundation is prepared to facilitate a full range of giving options. In addition to gifts of cash or securities, we can accept and advise on the benefits of gifts of life insurance, retirement plan assets, and real property.

ENDOWMENTS HELD FOR NONPROFIT ORGANIZATIONS
The Community Foundation holds and manages endowments for many wise nonprofit organizations. Benefits include convenience, investment oversight, permanence and access to planned giving tools.
Our annual Giving Spree exceeded all expectations. Adams Countians contributed $565,145.45 to support the work of 71 Adams County nonprofits, continuing a tradition of year over year growth for this exceptional event.

Yes, the Spree is an opportunity to give, but it's also an opportunity to inspire, learn and connect. There was a constant hum of conversation punctuated with laughter and surprise as friends met and introduced each other to a favorite project, person or decorated piggy bank.

Those piggy banks, and the $10 Spree coin given to each person who entered, were designed to encourage conversation. We were inspired when parents with children in tow used the Giving Spree as a teaching opportunity to introduce the joy of giving and volunteerism. Those young people are Adams County's next bumper crop of volunteers, future board members and civic leaders. The Giving Spree is one way to nurture those leaders.

For the hundreds of people who participate each year in the Giving Spree, and the thousands more who are inspired by its results, the Giving Spree is an extraordinary moment in Adams County’s annual calendar.

Message from the Treasurer

Our annual audit confirms the quality of our financial controls and adherence to best practices. Our volunteer Investment & Finance Committee's focus continues to be the long-term goals we have established for the Community Foundation's endowment using a thoughtfully diversified investment portfolio. I am pleased to report that the Community Foundation's financial position is strong, and our ability to support Adams County "For Good" and "For Ever" continues to strengthen, thanks to the growth of our civic endowment, the cornerstone of future success for the Community Foundation and for Adams County.

James Kampstra, Treasurer
