

A Community of Caring

Report to the Community 2021

Our donors share a deep regard for this place and this community.

A Community of Caring

Message from the Board Chair and President

Our donors care about Adams County. Whether rooted here for generations, recently arrived, or somewhere in between, our donors are invested and investing in Adams County.

Their care is expressed in the form of their personal giving priorities, such as ensuring basic needs for fellow residents, enhancing educational opportunities, improving our civic and social infrastructure, and preserving our landscape and history.

They may be intent on improving conditions today, ensuring a more secure future, or both. Although the giving focus may differ, our donors all share a deep regard for this place and this community.

The Community Foundation provides a myriad of ways for donors to manifest their generosity and address their concerns. They entrust us with realizing those goals. We do so by investing their charitable gifts wisely, and by awarding grants in ways that reflect each donor's charitable intent. Further, the Community Foundation safeguards those intentions in perpetuity.

Our donors are working together through the Community Foundation, each in their own way, each with their own philanthropic goals, but with a shared purpose. Caring for Adams County today, tomorrow, and forever.

Emily Rice-Townsend
Board Chair

Ralph M. Serpe
President & CEO

Philanthropy in Action: Our Community of Caring

The Community Foundation is a charitable organization created by and for the people of Adams County, Pennsylvania. We are supported by local donors and governed by a board of private citizens who work toward the greater good of the community.

We exist to support donors: individuals, families and businesses, and to invest in Adams County. The Community Foundation manages a growing, permanent endowment that can address critical needs today and for generations to come.

It starts with donors who care.

With contributions to an existing charitable fund, or establishment of new funds to reflect their charitable purpose, donors plant the seeds of caring.

The Community Foundation stewards the funds.

We invest the charitable funds entrusted to us with a long time horizon, committed to honoring each donor's purpose for generations to come.

Estimated annual growth: 10.0%, annual grants: 4.5%, and the portrayal of apple harvest process for illustration only.

Three ways the Community Foundation helps our community

Grants and scholarships

Each year we distribute hundreds of grants and scholarship awards. Our grants strengthen nonprofits, help people move toward self-sufficiency, and encourage collaboration. Our scholarships support a range of educational pursuits including college study and technical training.

Initiatives

We work with partners in the community—nonprofits, businesses, government agencies—to accomplish common goals. *@Home in Adams County* addresses the interrelated issues of affordable housing, economic development, and transportation.

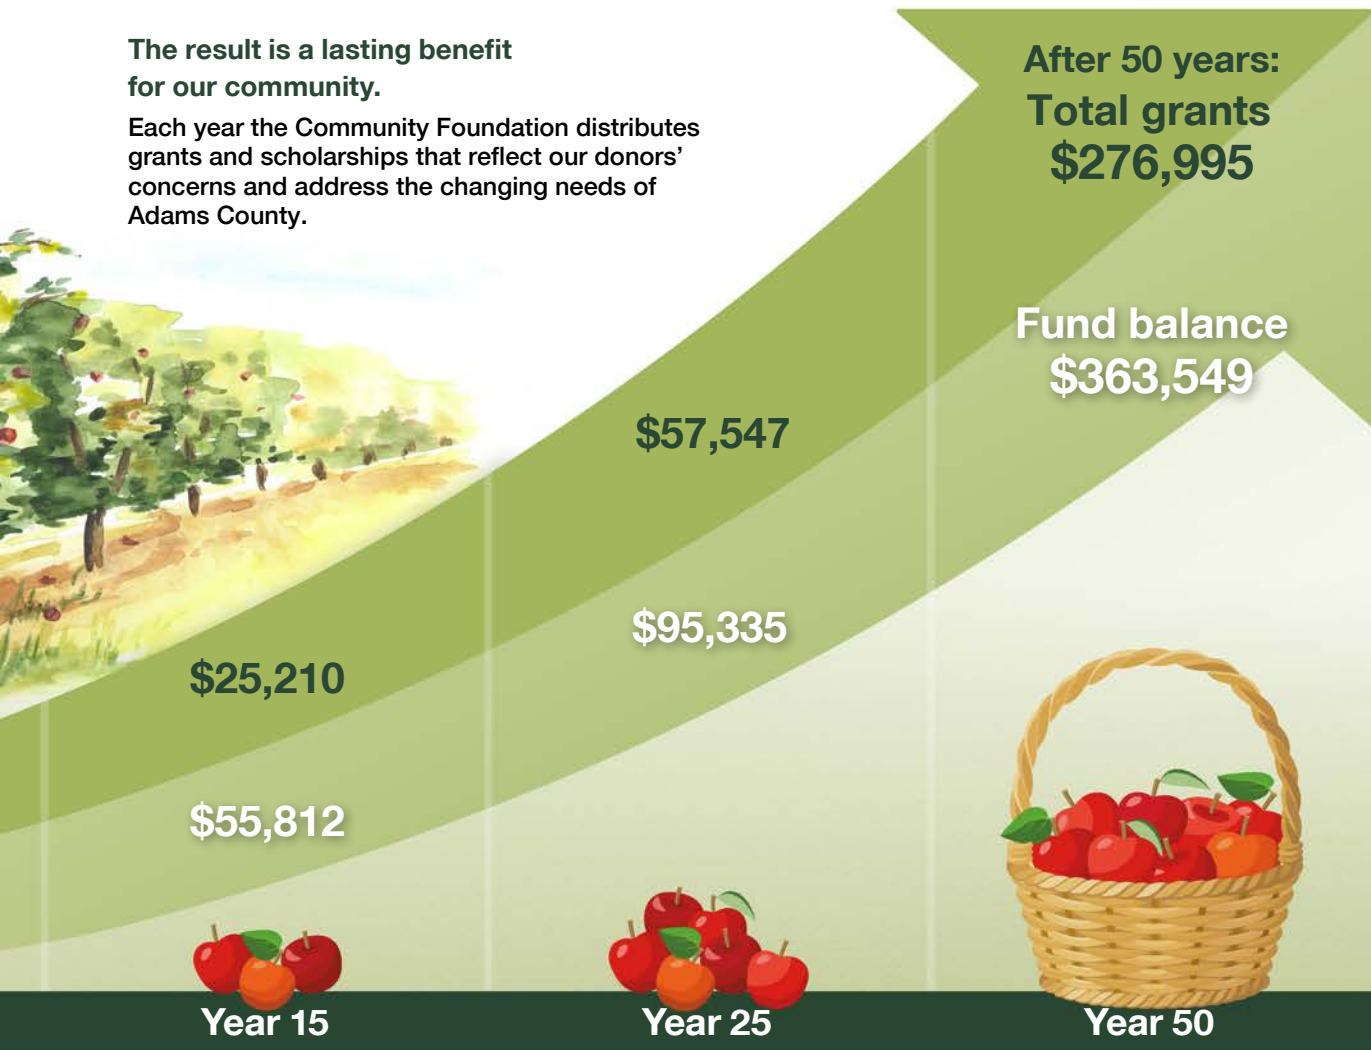

Advocacy

We use our relationships and influence to address unfair policies and systems. We led a successful statewide effort to eliminate scholarship displacement, the practice of colleges reducing a student's financial aid by the amount of the student's private scholarship.

The result is a lasting benefit for our community.

Each year the Community Foundation distributes grants and scholarships that reflect our donors' concerns and address the changing needs of Adams County.

2021 Snapshot A Banner Year

Growth in every aspect of the Community Foundation vividly illustrates how donors who care about Adams County are discovering the many ways in which the Community Foundation can help them help our community.

Grants and Scholarships

In 2021 the Community Foundation awarded 328 grants and scholarships totaling \$3.1 million to nonprofits and schools in Adams County and across the country in the categories charted on page 5.

\$3.1 million awarded

Adams County Grants

The donors who support our Fund for Adams County are true champions of our caring community. With their support, we are able to respond with timely grants to address community needs in Adams County as they evolve. In 2021 we paid particular attention to a need for greater inclusivity in our community.

- Our \$25,000 grant to **Manos Unidos** allowed the organization to add

a case manager who will provide individualized help to Adams County's growing Latinx population.

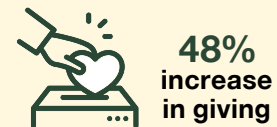

- We awarded \$13,000 to the **Pennsylvania Immigration Resource Center (PIRC)** to help legal immigrants in Adams County as they navigate the process of attaining citizenship, creating a secure path to independence.
- Our grant of \$30,000 to the **Upper Adams School District** supported implementation of a comprehensive anti-racism plan, including training and professional development focusing on equity and inclusion.
- A \$25,000 grant to **YWCA Gettysburg and Adams County** supported a new position: Mission Enhancement Director, focused on improving the lives of women and minorities in Adams County.

Other 2021 Adams County Grants included:

- Adams County Arts Council, \$16,500
- Adams County Historical Society, \$30,000

- Adams County Housing Authority, \$21,750
- Children's Aid Society, \$20,000
- Gettysburg CARES, \$25,000
- Giving Spree (nonprofit incentive match), \$10,000
- Pennsylvania Interfaith Community Programs, Inc., \$5,584

Growth in Giving

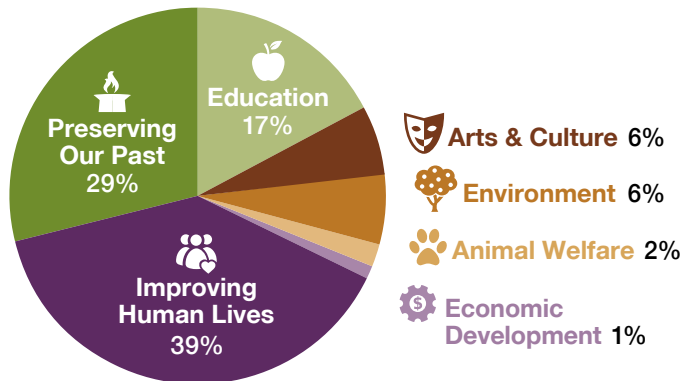

Donors gave \$4.3 million to and through the Community Foundation in 2021, an increase of 48% over 2020. These gifts ranged from small donations supporting particular causes to major gifts by donors establishing new charitable funds.

The annual Giving Spree yielded \$3.08 million of that total, supporting 94 local nonprofits with immediate gifts and additions to designated

for Community

2021 Grants and Scholarships

endowments held by the Community Foundation for their benefit. You can see all the details of the 2021 Giving Spree at ACCFGivingSpree.org

Designated Endowments: Ensuring the Future

61
Endowments
created
since 2020

Designated endowments are a rapidly expanding segment of the support we provide for Adams County nonprofits. These endowments are invested by the Community Foundation and generate a grant each year to the named nonprofit. Designated endowments can help carry nonprofits through lean times.

For many nonprofits that have historically relied on fundraising events and annual giving, the last two years of social distancing and an uncertain economy have been devastating. Designated endowments fill a critical role for nonprofits in financial need.

Starting in 2020, we offered Giving Spree donors the option of making “forever gifts” to designated endowments. Since then, we have created designated endowments supporting 61 local nonprofits. One of these, the SCCAP Opportunity Endowment Fund, has topped \$1 million thanks to a focused endowment campaign built on the Giving Spree.

Beyond Grantmaking

The Community Foundation uses all available resources to help make our community a better place for all residents. We invest financially, distributing grants from the charitable funds entrusted to us. But we also use the relationships and influence that come from collective philanthropy.

Our *@Home in Adams County* initiative, now in its 4th year, is an effective partnership of residents, businesses, public and private nonprofits working together to address complex, interrelated issues facing Adams County residents: safe, affordable housing, transportation, and workforce development.

The Community Foundation advocates for its donors’ interests on issues relating to philanthropy. We have led a successful statewide legislative effort to end scholarship displacement, the practice of colleges reducing a student’s financial aid by the amount of the student’s private scholarship. Banning this practice will mean that our scholarship donors’ intention of helping students achieve their educational goals will be carried out effectively and transparently.

Our donors are working together through the Community Foundation with a shared purpose.

Your Community—Your Foundation

There are many ways to express your love of our Adams County community through the Community Foundation. Please contact us to discuss your charitable goals.

A few ideas to get you started:

Give Broadly

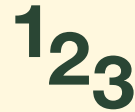

Include the Community Foundation in your annual giving to provide the Community Foundation with the flexible resources we use to address the most pressing needs of our community as those change over time.

- **The Fund for Adams County**
Your gift to this endowment will help ensure grants for Adams County forever.
- **Adams County Grants Fund**
Your gift will support immediate grants for Adams County.
- **Adams County Community Foundation Scholarship**
Your gift will help continue annual scholarship awards for local students.

Focus on Your Favorites

Contribute to designated endowments at the Community Foundation to help ensure a sound future for the nonprofits you care about. You can find a complete list of designated funds on pages 8 and 9.

Keep it Simple

Open a charitable fund at the Community Foundation to simplify and formalize your philanthropy. Invite family members to join in thoughtful conversations about giving. Let the Community Foundation handle the administration.

Be Remembered

When you include the Community Foundation in your will or with a beneficiary designation through your IRA or insurance policy, the Community Foundation will continue your charitable plan on your behalf. Your name and generosity will be recognized year after year.

To make an unrestricted bequest, we suggest the following sample language:

“I give and bequeath to the Adams County Community Foundation, a Pennsylvania not-for-profit corporation, Tax ID 26-1404848, the sum of _____ Dollars {or ‘percentage of’ or ‘all the rest, residue, and remainder of my estate’} to be used for the general purposes of the Community Foundation at the discretion of its Board of Directors.”

Treasurer's Report

2021 was another exceptional year for the Community Foundation. The permanent endowment investment pool, managed by Brown Advisory, posted another strong return of 14.1% net of investment fees and expenses.

The endowment gained more than \$3 million for the year to surpass \$20 million for the first time, empowering the Community Foundation to provide grants in excess of

\$3 million to benefit Adams County during the year.

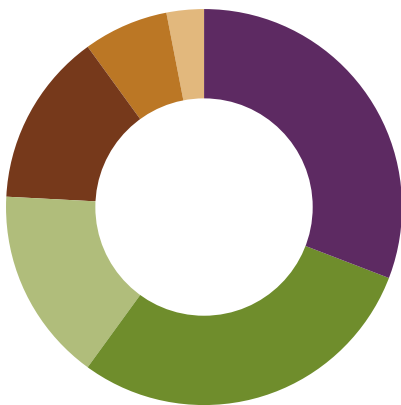

While 2021 saw positive financial markets, there are storm clouds on the horizon in the form of record inflation, a tightening monetary environment, and geopolitical unrest around the world. It is hard to ignore these near-term problems, but I am proud of the Investment & Finance Committee's ability to remain focused on our long-term mission: to benefit the community in perpetuity.

The Community Foundation is in a strong financial position to weather any storm that may come.

It has been an honor to serve another year as Treasurer and see this great organization continue to flourish.

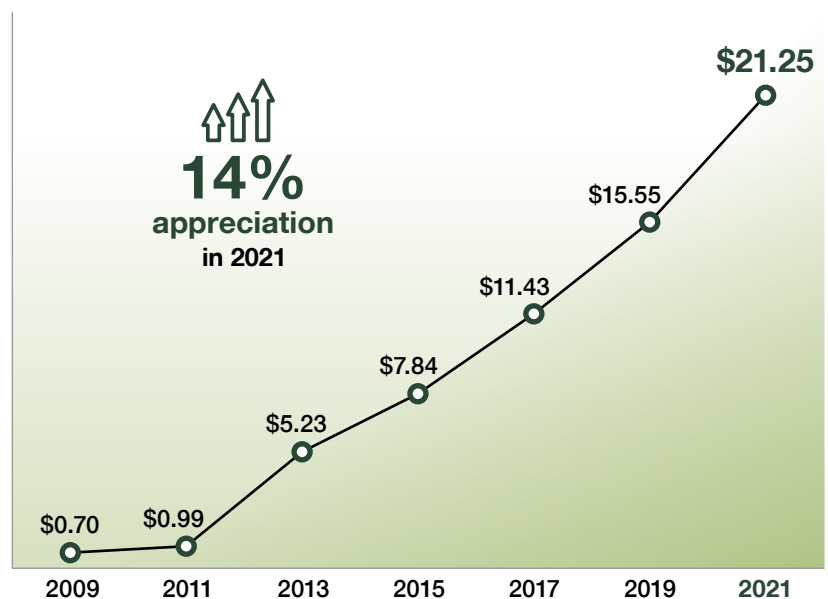

Jim Kampstra, CIMA®, CFP®
